

OPTIONAL ACCESSORIES FOR CENTRAL VACUUM SYSTEM

Air Driven Turbo Brush

This is a power brush (not unlike an upright vacuum head) which beats as it sweeps as it cleans. Easy manoeuvrability. Ideal for pet hair removal.

£48.00

Flexible Remote Control Hose

This hose allows control of the system from an "on-off" switch on the handle of the hose as opposed to the Standard Hose which is operated by inserting and removing from the inlet (requires friction or telescopic wands @ £14.50).

£85.00

£14.50

"Turbo Cat"

This is an extremely efficient power brush which beats as it sweeps as it cleans. Ideal for large work areas, any type of carpeting and for removal of heavy dirt and pet hair from heavy dirt areas and stubborn surfaces, eg natural carpeting etc.

£85.00

Deluxe Combination Floor Tool

Floor tool which combines carpet cleaning immediately to hard floor with a foot pedal action tool.

£15.50

Hard Floor Tool (for Wooden Floors)

This hard floor brush is ideal for and recommended for use on wood finish floors. Longer Version for Commercial Use or large wooden floor area

£9.00

£15.00

"Dust Bunny"

A "dust up" floor-mop-in-a-vacuum tool that captures dust in all those hard to reach places – ideal for wooden floors (mophead can be removed to be cleaned)

£12.50

Car Valet Kit + Hose

Consisting of 10m flexible hose, hose hanger, upholstery tool, crevice tool and dusting tool. For use in the garage for cleaning vehicles.

£45.00

Brass or Bronze Metal Inlets

Suitable for matching with brass or bronze metal finish electrical fittings. Also recommended for when inlets have to be floor-mounted. Available also in white and chrome finish.

£30.00

(£25.00)

Metal Inlets - European Style various colours including brushed satin finish ([check availability](#))

£35.00

(£30.00)

Vacpan+Trim+Inlet Kit

Fits onto skirting or kick board in kitchen, mud room, workshop – sweep crumbs, dust or debris into it and on opening activates suction – comes in black, white or almond (or chrome faceplate which is £13 extra)
(Price allows for additional fittings/pipe etc. required)

£65.00

Soft Touch Sleeve

Stocking type sleeve fits over hose to protect furnishings.

£30.00

Long Crevice Tool

Useful for under fridge, freezer, difficult to reach areas

£10.50

Pet Grooming Tool

£7.50

Prices exclude VAT or Delivery. Costs in brackets () indicate cost for exchanging/upgrading system package.
